

# MAY 2019

Dear Parents,

The end of the school year is upon us, and it seems to have gone by in a flash! The kids will enjoy the last few weeks of MDO with more fun activities and pizza, as well as playground fun and outdoor picnics!

On Wednesday and Thursday, May 1 & 2 all classes in the AFLC building (rooms 101 - 104) will enjoy a WATER DAY! We will have lots of water activities set up outside, a "car wash", popsicles and more! The classes in the main building (rooms 1-6) will enjoy a BUBBLE DAY. There will be lots of bubbles, music and dancing. Rain dates are Wednesday and Thursday, May 8 & 9. More information to come from your teachers.

On Friday, May 10 we will celebrate with our Pre-K 4 classes, with a short "graduation ceremony"! The ceremony will take place at 9:20am in the sanctuary and we invite the families to join in this celebration. The kiddos are excited to share this time with you! This will also be a fun day for them with special classroom activities planned.

Our last days of MDO will be Tuesday and Wednesday, May 14 & 15. These are **NOT** early release days!! To celebrate the end of school, we will be having pizza parties! Please pay your teacher \$3 to cover pizza, dessert and drinks.

We want to thank you for sharing your children with us. We had a fun year and look forward to seeing most of you next year. Best of luck to those moving on to Kindergarten! God's blessings for a safe and fun summer!!
