

ELC MDO Christian Philosophy of Curriculum

The Mother's Day Out program at Epiphany Lutheran Church is a direct extension and outreach opportunity for the Epiphany Lutheran Church (ELC). We have weekly chapel time for all enrolled students led by the Director's of Children Education employed by ELC. In addition to the weekly chapel, we also have monthly Bible Verses for the kids at all ages. Teachers go over the Bible verse during class and work to help the kids memorize these scriptures. Daily prayers are spoken before meals in each class. We also promote the idea of repentance and forgiveness in re-directing and disciplining children. We incorporate Christian holidays like Easter and Christmas and celebrate and talk about the Biblical meaning of these holidays in addition to the secular fun of parties. At Christmas time the children at MDO are invited to sing and participate in the Christmas program during a worship service on a Sunday.
