

RENEWED with a passion for God's people!
RENEWED by growth in your faith!

Every month we are encouraging members of the congregation to take these prayers and bible verses and focus on asking that God's will be done for our congregation and community.

Prayer focus: God's Building Project

Almighty Father, we stand before You with hearts full of reverence as we embark on this journey to renovate Your sanctuary. Guide us, O Lord, with Your divine wisdom, that every decision we make may align with Your perfect plan.

Bless, O Lord, the hands and minds of those who will labor in the construction of Your church. Grant them skill and wisdom as they bring this sacred structure to meet your plan and vision for our congregation.

Heavenly Father, watch over every worker and volunteer involved in this project. Keep them safe from harm and injury as they work diligently on Your behalf.

May our church-building project serve as a testament to God's faithfulness and love, drawing all who enter into a deeper relationship with Him. As we continue in faith and prayer, we trust that God will bless this endeavor and use it for His glory. AMEN
