

**For younger children**

“God created the earth.”

Genesis 1:1

**For older children**

"In the beginning God created the heavens and the earth."

Genesis 1:1

## Memory Verse Helps

1. Say the verse with your child.
2. Sing or play from your phone 'He's Got the Whole World in His Hands.'
3. Talk with your child about the things you see outside. From brown rocks to the blue sky with the white puffy clouds, God's creation is all around us and beautiful. Remind them that God made the world and God made them - everything He made was good!
